

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 11, 1996

SUBJECT: **SB 2413 - HB 2438**

This bill, if enacted, will change certain positions in state government to career service which are presently considered executive service.

The fiscal impact from enactment of this bill is estimated to result in an increase in first year state expenditures to develop job specifications, selection procedures and other related costs associated with changing executive service jobs to career service. An estimate of the increase cannot be determined but is estimated to exceed \$300,000 which assumes over 250 classes will be changed from executive service to career service.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
